- Re-/Setting Permissions 2012/11/08 12:11 Wittstock

FAQs & HOWTOs

- Editing a Modul
- FAQ: I can't access many files even when beeing logged in. It still says "Files are filtered, because you have not the necessary permissions."
- FAQ: I want to add flash movies, but i can't select the html file required to load the files.
- FAQ: I wanted to make my files only accessible to course members, but i messed up the permissions. How do i fix it?
- FAQ: In the old Electures-Portal we could set a central username and password for the students to access the lectures, why is that not possible anymore?
- FAQ: Many files are missing! / All my directly linked files are not accessible anymore, why?
- FAQ: The Flash Files created with Camtasia can't be loaded.
- FAQ: The old Electures-Portal was so much better, why is there a new one now?
- FAQ: What does "Files are filtered, because you have not the necessary permissions" mean?
- FAQ: What is the Filesystem group (needed for)?
- FAQ: Why is a responsible staff member needed for creating a new module?
- HOWTO: Create a new course/modul in the Electures-Portal
- HOWTO: Make a Bug Report

Pages that need to be edited
